

MSC THAILAND DOOR-TO-DOOR SOLUTION

In today's fast-paced global trade environment, seamless logistics are essential for businesses to stay competitive. MSC as a world leader in container shipping and logistics, recognizes the importance of providing efficient, reliable, and comprehensive solutions to meet the growing demands of its customers. The Door-to-Door solution from MSC Thailand is designed to offer end-to-end shipping services that simplify the complexities of international trade.

WHY SHOULD YOU USE MSC DOOR-TO-DOOR

- **24/7 customer support** : Our dedicated team is available around the clock to assist you with any queries or concerns.
- **Range rate by volume** – Special rate base on volume : Enjoy special rate based on the volume of your shipments, making our service cost effective for the business
- **Free cancellation (In advance 1 day)** : Plan changed ? No problem! Benefit from free cancellation, if done at least one day in advance.
- **One stop service** : Handle all your logistic needs in one place, from pick up to delivery, ensuring a seamless experience.
- **Faster lead time delivery** : Our efficient logistic solutions ensure your goods reach their destination promptly.
- **Shore pass by MSC (For export shipment)** : With MSC D2D, you don't have to worry about the shore process and we handle everything for you!
